

# SEASIDE LIVING, CRAFTED FOR THE TASTEMAKER

### A HARMONY OF SAND AND SEA

Inspired by the crystalline beaches, Sunstone by IMKAN is a celebration of a waterfront lifestyle where golden sands meet the azure waves of the Arabian Gulf on the edge of Makers District.

Sunstone is a manifestation of our commitment to the overall fabric of **Abu Dhabi** - an elegant balance between enhancing the cityscape and standing out as a canvas for sophistication and style on either side of the horizon.

THE COMMUNITY

# INVITE IN THE EXTRAORDINARY

# MAKERS DISTRICT

Makers District is a vibrant mixed-use **waterfront community** on Al Reem Island, Abu Dhabi, blending modern residential towers, premium single-floor and duplex townhouses, and dynamic retail and dining spaces. Designed with cost-effective, elegant architecture, the development maximises ocean and city views while fostering a creative, energetic atmosphere. Its residential offerings include innovative layouts such as live/work units and loft-style apartments, alongside exclusive townhouses with private entrances and direct access to the lively waterfront promenade. A curated mix of boutique retail, lifestyle outlets, and F&B venues activates the public realm, creating a thriving **social hub** for residents and visitors.

# MAKERS, promenade

The Pulsing Heart of Makers District.

Wakers Promenade is more than just a pathway. It is the vibrant soul of Makers District, where residents and visitors come together to connect, create, and belong. Stretching 1 kilometer along the breathtaking waterfront, it blends innovation, elegance, and natural splendour, linking urban vibrancy with serene beauty. As the city's first climate-controlled promenade, it redefines outdoor living, offering year-round comfort whether strolling under the warmth of the sun or the gentle glow of twilight. Thoughtfully designed to encourage meaningful interactions with both the community and the space, Makers Promenade invites you to immerse yourself in its vibrant energy.
